

Liability Insurance

Where to find it?

It may already be included in one of these insurances:

- Home insurance
- Car insurance
- Bank
- Health mutual
- Other insurance

This is not a "RC"

What should be in it?

- **Internship / extracurricular activities**
- The inscription Civil liability, ("Responsabilité civile" in french)
- Valid for the entire school year **2024/2025**, including exam period
- Renewal if the end date is earlier than the end of the school year
- Valid in the French territory

Civil liability is a legal principle provided by the Civil Code (article 1240) according to which any person must financially compensate for material, immaterial or physical damage that he/she may cause to others.

Liability insurance therefore covers the risk of damage that you may cause to others. If a damage occurs, the insurance will compensate the victim on your behalf.
